I. WHAT IS PROTECTED HEALTH INFORMATION? 

Protected Health Information (PHI) is information which can identify you as a patient of Carle. The information can be paper, electronic, or other format. Examples of PHI include: 

- Medical information such as doctors’ notes, doctors’ orders, x-rays, films, and lab reports. 
- Demographic information such as your name, address and date of birth, if it relates to your health information. 
- Billing and payment information.

II. WHO WILL FOLLOW THIS NOTICE? 

This notice describes the privacy practices of all clinical providers providing medical services that are owned or controlled by Carle Health which are required to have a Notice of Privacy Practices. A complete listing of organizations is available to all patients at all Carle Health facilities. If you have any questions, contact Carle Corporate Compliance at (217) 902-5391.
